Content Partnership Proposal

March 2026

The Opportunity

Kindora seeks a content partnership with LinkedIn for Nonprofits and Global Impact Marketing to provide daily, high-value grant intelligence content that gives nonprofit professionals a reason to visit LinkedIn every day. Kindora produces the content. LinkedIn gets increased daily member value (DMV), nonprofit engagement, and a pipeline to LinkedIn Talent Solutions and Sales Navigator adoption.

WHAT IS KINDORA

AI-powered grant intelligence platform that helps nonprofits find the right funders, write stronger grants, and practice their pitch. Founded by a former Google.org Americas lead who directed $698M in philanthropic investments. Public Benefit Corporation.

175K+ US foundations **6.7M** grant records

258 nonprofits on platform

$25/mo paid tier, free tier available

THE GRANT BRIEF — CONTENT ENGINE

Automated content system that scans 80,000+ grant programs and publishes daily LinkedIn posts and a weekly philanthropy newsletter synthesizing 96 sector voices. Human-reviewed. Ready to publish.

Partnership Framework

GOOD

- Resolve Community Management API access (current blocker)
- Kindora publishes 7 posts/week of grant content
- LI4NP occasional reposts and amplification

Low lift. Free content for LI4NP.

BETTER

- Everything in Good
- "Philanthropy Pulse" co-branded on LI4NP newsletter
- Ad Grants ($50K-$200K in LinkedIn ads)
- Case study or Better Together feature
- Intro to Heather Combs / GMI

Medium lift. Easy win for GMI.

BEST

- Everything in Better
- Future of Work Fund ($200K-$300K)
- Resource Hub contributions
- Event programming + advisory role

Higher lift. Signature partnership.

Why This Works for LinkedIn

DMV
